

How to access parent information

CHARMS

BAND * ORCHESTRA * CHOIR

- Log on to www.charmsmusic.com
- Locate the "PARENT/STUDENT LOGIN" section of the web page.
- Login to your child's program account using the following login:

southwesthsband

- This will bring up the main parent page. This will allow you to look at your child's program's **public calendar, event list, handouts and other files**.
- Clicking on an event on the calendar brings up the details for that event, such as times, attendance requirements and equipment/uniform necessities. Clicking on "event list" puts all of the calendar information in a list form for easy printing.
- When you enter your child's ID NUMBER, _____ another more detailed screen appears with even more options to view your student's uniform assignments, music assignments, financial records, forms and inventory. Enter your child's ID FIRST – then you may create your own, unique password by clicking on the "keys icon"
- An area in which you can help the director maintain his/her records:
 - **Student information form** – if the director has allowed it, you may help make changes to your child's **student information page** (such as updating phone numbers and email addresses if they change) to help the teacher communicate with you more effectively.
- Most importantly, the parent page assists both you and the teacher to communicate with each other.
- You will also see links to **enter Practice Logs, view Grades**, and use the **Recording Studio** if the teacher has enabled these options.

Charms Office Assistant Web-Based Management for Successful Teachers

Welcome to Charms!

Charms is an all-encompassing management system to help music teachers, athletic coaches, dance and drill team directors, and booster clubs organize student contact information, manage inventory, assign uniforms, track attendance, and work with trips, fees, fundraisers, form collection, and lots more.

Charms can send group email, broadcast phone and text messages, email financial statements, and make seating charts. You can create as many user login as you need, and all can work at the same time.

Charms works on any computer connected to the internet, from anywhere in the world!

Thank you so much for the help.

I just moved up from Texas where we had Charms at my old school, and my first order of business with the boosters was convincing them to get Charms here.

This program is amazing.

Dan Mullen
Director of Bands
Riverside High School - North Carolina
