

POLICY REGARDING BAND FEES

2007-2008

1. All band dues and fees must be paid in full by the specified deadlines in order for the student to participate in band activities, including football games, performances, and any band trips.
2. In the event any band fees/dues are waived for any reason, hardship or otherwise, and the student and/or their parent(s) plans to go on the annual band trip, then the waived band fees/dues must be paid, along with the amount due for the band trip.
3. Band dues and fees may be earned by the student and/or their parent(s) through fundraising efforts of the Band Boosters, primarily by working Ranger baseball games in April through September of each year.
4. In order to be eligible to go on a band trip, all band dues and fees must be paid and the student may not have dropped out or been asked to leave the band program by a director. If a student signs up for the band trip, and subsequently becomes ineligible to attend the band trip because of either dropping out or having been asked to leave the band program by a director, then any amounts paid in by the student for the band trip will be forfeited, unless the Band Boosters can refund said amount without penalty to the Boosters.

Signed this 30th day of July, 2007.

BAND BOOSTERS

Carlos Gonzales, President

Stacey Dunn, Band Director

Laura Williams, Principal
